ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £15.50 per month and must be submitted by the 1st of the month prior to inclusion. HAPPY HOURS – NEWSLETTER

As well as our usual games we had a quiz, bingo and Play Your Cards Right during January. Our Raffle raised £41.00 which was donated to Acorn House at Addenbrookes.
Our speaker this month was Geoff Evans who gave a talk titled Wet, Wild and Green – rather appropriate considering our weather – but this talk was on slides taken in Iceland and Scotland, lovely slides and interesting talk.
I keep getting reminders about various scams, many of which target at the elderly. Please be aware of both postal and telephone scams. Check with a relative, friend or someone you trust before doing anything. Scams should be reported to Trading Standards. Another reminder is about the elderly being lonely. Half of all over-75s live alone. If you live near an elderly person please try to check on them, particularly when the weather is bad. Age UK has a Befriending Scheme, call 0800 169 2939 or Silverline which operates similar to Childline but for the elderly: 0800 470 80 90.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities
Come along to Bar Hill Library at 10.30 a.m., on the second and fourth Saturdays in March.
Storytime invites small children and their parents or carers to these regular events. Open to children of pre-school age and their older brothers and sisters who are accompanied by an adult, it offers half an hour or so of book-based fun.
Often there is a theme – we have featured the weather, insects and things that go wrong recently, exploring those with stories, songs and craft. The children have enjoyed colouring pictures, and have created such things as their own insects – some of which are on display – to take home.
This free event opens up the treasure that books offer, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along.

...letters...letters...letters...letters...

Dear Editor

I was pretty annoyed with the letter from Bunty Waters which implied that those who take the trouble to put out food for birds are in some way irresponsible. Given the serious decline in the UK bird population, rather than being reprimanded we should be encouraged to put out food, and I for one will continue to do so.

If she is worried about what her dog might pick up, may I suggest it be kept on a lead, and to cover the cost of vet bills would not pet insurance be the answer?

A more serious problem that Bunty Waters could be addressing is how to deal with those thoughtless owners who allow their dogs to foul here, there and everywhere in Bar Hill and don't bother to clean up afterwards (you know who you are). They give responsible dog owners a bad name.

John Doland, Watermead, Bar Hill.

This letter arrived shortly after February's BHN had gone to print:

To the Parish Council

Going round the village I notice that the Parish Council has embarked, in my opinion wholly unnecessarily, on cutting down and trimming trees. In these days of financial stringency, what is the cost to ratepayers?

Is it to keep Tree Surgeons in business? After all trees make the village.

Ratepayer and Pensioner

I forwarded the letter to the PC, and the author of the letter was replied to direct. This, however, seems to have raised more questions than answers:

To Bar Hill Parish Council

Ref. the number of trees sawn off or trimmed at considerable cost to the ratepayers.

In response to a letter which I sent to Mr Pope, I received a reply from him on behalf of the Environmental Committee of the Parish Council, which in my opinion was not satisfactory. Could you please answer the following:

1 What are the qualifications of one who makes a decision which tree should be cut down?
2 What is the actual cost to the Parish Council arising from this decision, the result of which, to my mind, is to keep the tree surgeons in business?
3 Are there any plans to plant new trees?

Yours truly,

V Tropins, Ratepayer and Pensioner

NEIGHBOURHOOD WATCH

A brief but important message this month:
Broken tiles, fences down – as I write this, the results of February's storms could lead to a proliferation of white van men offering to mend these for you. Please always stop and think before accepting any offers from cold callers. What may appear to be a good offer could end up being expensive and shoddy work. It would be far wiser to use a local trader recommended by neighbours. And remember, even if it's not storm damage, rogue cold callers will think of all sorts of excuses to get you to part with your money.

Stay safe, not sorry, and take your time choosing a trader.

In addition, please be a good neighbour and keep an eye on vulnerable people who may be taken in.
Best wishes,
Pam Vendy, NHW Village Coordinator

CHURCH MATTERS

KNIT AND NATTER...

...is on Thursday afternoons from around 1.15–3.15pm in the Octagon. We are a friendly and active group that produces hats, scarves and mittens for "Operation Christmas Child" shoe boxes. We make lots of other things too. By joining us, you will meet new friends as well as provide support to organisations that need voluntary help.

We have several outings a year, occasional lunches, coffee mornings, a Garden Party in August and a Christmas lunch.

You don't have to be able to knit; you are very welcome to come and "natter" and enjoy a sociable afternoon. For further information contact Sue Kenchington on 01954 780260.

Everyone is welcome of any faith, or none.

BRING YOUR OWN CRAFT GROUP

The group meets monthly on a Saturday afternoon in the Octagon, from 2.15–4.30pm. It was started to provide an opportunity for us to spend a quiet couple of hours working on our craft projects in good company, since we often find that we have too much to do at home to devote much time to our creative hobbies, despite the benefits we derive from them. We usually leave feeling more relaxed, with the added satisfaction of having made progress on our projects.

We are always happy to welcome new members whether they are experienced crafters or just trying something new, so do come along. Remember to bring the materials and equipment you will need for your craft project. We will provide the company and refreshments. We ask for a donation of up to £1 to cover costs.

Provisional dates for 2014: 22nd February; 22nd March; 26th April; 24th May; 28th June; 19th July (in the Church); 27th September; 25th October; 22nd November.

For more details contact either Wendy on 01954 782041 or Sue on 01954 200875.

YOUNG PEOPLE GROUPS

There is a time to relax, play games (Wii, Pool, Table Tennis) one Sunday per month from 7.15–9.00pm in the Octagon.

Cell Groups

These are groups of young people, meeting once a month, to learn more about the Bible and the Christian faith.

Cafe Church

As an alternative to sitting in the Sunday morning service, the children & young people meet in the Octagon on 1st and 3rd Sundays, for breakfast and a learning activity.

Young Peoples Evening Worship Service

This informal service is for adults and young people and uses contemporary music and format. This is held at 6.30–8.00pm on the 2nd Sunday of the month, starting with cake and drinks!

For more information on any of these events contact Heather at familysmeth@ntlworld.com.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

With Blessings in Christ

Jenny Patton – Small Groups Coordinator

MESSY CHURCH...

...is for pre-school and primary age children and their carers. They meet in the Octagon from 3.15–5.15pm on the 3rd Wednesday of each month.

Each session begins with craft activities followed by a story & song on a Bible theme, and ends with a simple meal. Come along!

For more information contact Peter at familysmeth@ntlworld.com.

ROCK SOLID...

...is a midweek club for primary school age children which runs during term time only every Thursday evening in the Octagon/Meetings Room, from 6pm till 7.15. We have great fun with songs, news time, bible storytime, craft and games, stopping for a quick break for drink and a biscuit half way through!

We are fully subscribed at the moment, but if you think your child would like to come along, please contact Adrienne Sharman 01954 780874 for further information.

BAR HILL CHURCH ECO GROUP

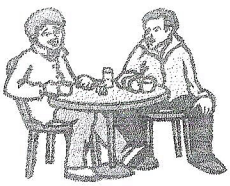
The Eco Group meets for an hour once a month to think about how we can best use our world's resources, both for our own benefit and for that of future generations. We are working towards the award of 'Eco-Congregation'. Events last year included Sunday workshops on the theme of creation, and an eco walk and picnic. Further details, including meeting dates, can be found on the church website – www.barhillchurch.org.uk.

HOLIDAY AT HOME 2014

This year we will be in Africa. We will be on holiday in the Octagon between 8th and 11th April. This is aimed at older residents. The cost for three days is £15 or £5 per day. For more information contact Sue Kenchington on 01954 780260.

CHURCH MATTERS

THE COFFEE STOP



This takes place every Wednesday at 10 am until 12 noon at the Library. Coffee, tea and biscuits are served, and it is a good opportunity to meet friends old and new and have a chat.

Everyone is welcome. We support the "Friends of the Library" in making good use of this valuable resource and keeping it open for everyone.

WOMEN'S WORLD DAY OF PRAYER

This special service takes place in churches all over the world every year on the first Friday in March. Each year it has been arranged by the women of a different country and so expresses praise to God for the good things of that country and also prayer concerns for its needs and particular difficulties. This year's service has been put together by the women of Egypt and will take place in Bar Hill Church at 7.30pm on Friday 7th March. Our speaker will be the Rev. Jean Simmonds.

It is a service is for all people, men and women, so do come. You will be most welcome.

MARCH BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Every year, Cambridgeshire Fire and Rescue Service raise thousands of pounds for The Fire Fighters Charity – and we couldn't do it without the support of residents so we would like to say a big thank you!

This month, a number of fire stations across the county will be holding car washes so visit www.cambsfire.gov.uk or our social media channels to find out what stations near you are taking part.

Registration is now open for the annual Ladies Driving Challenge on Sunday 11 May, at Alconbury Airfield. More than 300 women will get behind the wheel of super-sized vehicles and if you want to take part sign up quick! For more information and to register, email ldc@bedsfire.com or call 01234 845130.

Finally a huge thank you to all who supported our clothing bank challenge in January to see which station could collect the most unwanted textiles to raise cash for the charity. We're eagerly awaiting the results.

Make sure fire safety still stays at the forefront of your mind in March – and don't forget to test your smoke alarm.

To find out if you are eligible for a free home fire safety check, call 0800 917 9994.

Follow us: @cambsfrs /cambsfrs.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities

10.30 am at Bar Hill Library,

on the second and fourth Saturdays in February.

Storytime invites small children and their parents or carers to the Library. Open to children of pre-school age and their older brothers and sisters who are accompanied by an adult, it offers half an hour of book-based fun twice every month.

Often there is a theme – we have featured the weather, insects and things that go wrong recently, exploring those with stories, songs and craft. The children have enjoyed colouring pictures, and have created their own insects – some of which are on display – and weather charts for themselves.

This free event opens up the treasure that books offer, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along.

GP Practice Survey results: Results of the recent Ipsos Mori survey have been collated and we've published them on our website. We are pleased to report that the practice performed well in national and local tables. The practice team looked at the results and discussed action points. We also reviewed the surveys at a recent Patient Group Meeting. We are heartened by the lovely comments from many of you. We have addressed concerns that were highlighted and will accommodate your suggestions where practicable. The reports are available to view in reception. There will be a new Patient Group Notice Board in the hallway at both Willingham and Longstanton surgeries, where information of interest can be displayed.

Surgery Loan Equipment: have you forgotten to return equipment such as blood pressure monitors? Please contact reception or bring the item in, giving your contact details so that we don't send a reminder letter. No fines this time, but in future we will ask for a deposit which will be refunded on return of the equipment.

AAA (abdominal aortic aneurysm) screening for men over 65: a simple scan can tell if you have AAA, an enlargement of the main blood vessel in the abdomen which, if left untreated, could be fatal. Men aged 65 and over are most at risk. NHS screening invitations will be sent to men aged 65 during the year , or you can request a scan if you don't receive an invitation (contact 01223 256909). Local clinics will be held at Willingham Surgery every two months through the year. For more information visit aaa.screening.nhs.uk or talk to your GP.

CAMTAD: the next Hearing Aid Clinic will be at Willingham Surgery on Wed 16th April from 2–4pm. No appointment is necessary; just pop along for free NHS hearing aid batteries, and for help and advice regarding hearing loss.

PARISH REPORT, MARCH 2014, FROM COUNTY COUNCILLOR JOHN REYNOLDS

A14 Public Consultation Update

The Highways Agency (HA) has announced the formal public consultation on the A14 upgrade. I have been invited to attend a meeting with the HA to discuss issues raised at the last consultation. These include pollution, noise, access to roads and provision of cycling and walking routes that affect out village.

In early February, the Statement of Community Consultation and Preferred A14 Route Announcement was formally issued. During March there will be a series of facilitated workshops with local stakeholder groups based in communities along the proposed route. Technical and design workshops will also be taking place in March. The ten week formal public consultation is expected to start on 7 April. This date is subject to final ratification by the Department of Transport.

Northstowe planning agreed in a multi-million pound deal.

Local councils have struck a £30 million deal with the promoters of the first homes at the planned town of Northstowe for investment in community facilities, including funding for a primary and secondary school. The contributions agreed follow a deal being brokered by South Cambridgeshire and Cambridgeshire County Councils with the promoters of the first 1,500 homes, Gallagher Estates. There are many issues to be resolved, for us in Bar Hill the provision of major road improvement to the B1050 Hattons Road is paramount. I have been campaigning for action and it has now been agreed that a dual carriageway and separate walking and cycleway facilities will be provided. Planning for this round will start shortly. Councillor Reynolds is a member of the Northstowe Transport Working Group.

Cambridgeshire Future Transport

Thanks to all who responded to the recent consultation. The results of the survey are being analysed; village-specific data will be available. In addition to the Transport Survey there have been a number of community events and bus ride surveys to gather further data about transport in the area. A Working Group will meet on 25th February to discuss the data collected and possible solutions to local transport issues.

We will share the Survey Report and Working Group outcomes with the public around March 2014 via our website, or using residents' contact details where they were provided on their survey form.

As your County Councillor, I welcome hearing from you on these and/or any other issues that affect our community.

For more information, contact me: County Councillor John Reynolds, 4 Hollytrees, Bar Hill, CB23 8SF. T: 01954 200571; E: j.e.reynolds@ntlworld.com.

Little Acorns

Extended Day Care

Little Acorns took over the out of school club at the beginning of January 2014. We are now registered to care for children age 2–11 years, from 8am – 6pm term time and during the school holidays. Little Acorns extended day care is the umbrella name for Little Acorns Pre-School and Mighty Oaks @ Little Acorns (the out of school club).

Flexible Hours can be booked any time during a week day. [Otherwise a normal pre-school session is 9–11.30am, or 12.30–3pm; and afterschool care starts at 3pm or 3.15pm). Our current cost is £3.60 per hour. There is a sibling discount rate. Children can access 15 hours per week of free sessions under the Early Years Funding Scheme in the term after they become 3.

Families on Income support (or who fulfil the criteria for free school meals) may also be able to access 15 hours per week of free sessions for their 2 year old, via the 'Free Twos' Funding. The children's centre will be able to advise you about this.

We can be found next door to the primary school along the concrete track which leads to the farmhouse building. Please feel free to drop in for a look around. All age groups of children have access to all three rooms in the building and the garden area throughout the day. We offer a wide variety of activities and resources, set out into zones, where children can explore, investigate, learn, create and have fun.

We employ qualified and experienced staff who are caring and dedicated team members. If you would like more information or a registration form please email us at littleacorns.barhill@ntlworld.com or at mightyoaks.barhill@virginmedia.com or phone Sally or Gail on 07851 803083.

The building can also be hired out at weekends/ evenings for parties and family events. Please email us for a booking form if you are interested – you do not need to have a child at the pre-school to use this facility.

COUNCILLOR CHAT
MONTHLY REPORT: MARCH 2014

Big clean up helps water voles at nature reserve

Endangered water voles have been given a helping hand by volunteers who have carried out a tidy up at Bar Hill nature reserve. The volunteers cut back hawthorn and brambles and had a clear up ahead of work planned for later in the year which will see ditches dug and banks formed to make the area a haven for the animals.

The two hectare site on the edge of the village is home to dozens of water voles which live along rivers, ditches and ponds. Nationally their decline is a combination of habitat loss, poor land management and predation and the voles have been lost from up to 94% of their former habitats.

Councillors and conservation staff from South Cambridgeshire District Council joined up with volunteers and Bar Hill Parish Councillors for a day long operation to improve the 20 year old wetland site. The volunteers carried out a similar clear up last year which has now opened up large areas for wildlife.

Work to further improve the area will shortly take place to include a new weir to hold back high flowing water upstream of the village and careful re-shaping of parts of the reserve.

Senior Councillors back vision for South Cambridgeshire

Twelve core objectives to keep South Cambridgeshire as one of the best places to live, work and study in the country have been backed by senior councillors following a public consultation. The Council's corporate plan will now be presented to a meeting of Council on Thursday 27 February.

Plan for new jobs and homes recommended to Council meeting

A plan to provide 22,000 new jobs and 19,000 much-needed new homes across South Cambridgeshire up until 2031 has been recommended to a meeting of Council. Please contact me for further information.

Another 24% cut in Government funding means tough savings target set

Council leaders are pledging innovation and delivery of smart savings to help protect local people from swingeing service cuts following a 24% reduction in grant funding from government.

Parish Councillors

Many of you knew Mike Duce, who sadly passed away last month. Not only was he active in the church, but also as a serving member of the Parish Council for many years. Mike will be sadly missed and our thoughts go to Anne and her family. Michael Boughton-Fox also passed away at the end of last year. He was a member of the Parish Council for many years and worked hard on behalf of the village. Again our thoughts go to Uta and family.

Bar Hill Skate Park

As you may now be aware, the Skate Park site has now been cleared, ready for a new park to be built. This had to be done on health and safety grounds, and we are busy working on fund raising for Bar Hill's new Skate Park. The Parish Council is actively looking for grant funding to make this happen.

Conservation Day

A Conservation Day was held on Sunday 9th February, which was very well attended by volunteers working on the Nature Reserve. Many of you, over the next few months, will be seeing quite a change to the Nature Reserve, Balancing Pond and the stream, as work continues, with the help of Rob Mongovan, South Cambs District Council and voluntary agencies. Our thanks go to Tesco, who kindly donated £25 worth of sandwiches to the workers last Sunday, these were a welcome sight when they stopped for a well-earned rest at lunch time.

Litter Picking Day

Please put a note in your diaries that the next Litter Picking Day will be on Saturday 12th April, starting at 10am at the Parish Council office where picking sticks, gloves and bags will be provided. Please help make a difference to your village.

Otter Close/Otter Gardens

I have been informed by the County Council that these two roads will be resurfaced in the very near future. I am sure that residents in these areas will be very pleased about this news.

Parish Council Meetings

The next Parish Council meeting will be held on Thursday 20th March at 7pm in the Parish Council Office and all members of the public and press are welcome to attend. There is also an Open Forum at the start of each meeting for residents to put their views across.

MESSAGE FROM YOUR LOCAL PCSO

Two vehicle thefts were reported in Bar Hill in January. Valuables were taken on both occasions.

A Girton resident made payment of £130 for delivery of a puppy seen online. Unfortunately delivery was not made. Please be mindful when you purchase items via Internet.

While out on patrol, I have noticed a number of vehicles failing to display valid road tax. These vehicles have been issued with hefty fine tickets. Please make sure your vehicle has current tax, or is declared SORN with DVLA if not in use, and is not parked on the highway.

– BAR HILL COLTS FOOTBALL – BULLETS U12 TEAM

At the beginning of the season the Bullets found themselves struggling to find enough players to field a team, but as the season has continued, new children have joined the team and Chloe Norden has stepped forward to become the Bullet's new goalkeeper.

Chloe has done an amazing job, and slowly the score line has changed as we started to draw matches. Dare we hope for a win? Yes, a win came at the end of 2013 against Haverhill, and further wins continued for the next few matches.

What will 2014 bring? Unfortunately, at the moment, a water logged pitch! But, we are hoping to continue our run of good form once the weather improves enough to play again. We have a few new members in the squad and everyone has worked hard to make the team fun and enjoyable, and the wins have followed. Much encouragement is still needed for the rest of the season, but we are very hopeful to continue our recent run of success.

– THERMAL IMAGING CAMERAS – IDENTIFY HEAT LOSS IN YOUR HOME

South Cambs District Council has two thermal imaging cameras available for parish councils and local volunteers in the Sustainable Parish Energy Partnership to borrow free of charge for a period of one or two weeks (normally Thursday to Thursday). The cameras can be used to identify heat loss in homes and other buildings.

It is intended that the camera is used to do surveys on as many homes as possible, and so parish councils and volunteer groups wishing to borrow the camera are asked to recruit volunteer camera operators who can survey their own homes, and preferably others too.

The Parish Energy Project Officer runs free training sessions for volunteers – normally on Thursday evening – as needed.

If you are interested in having a volunteer survey your home, or would like to volunteer yourself, please call Bunty Waters on 01954 201421 and leave your contact name and number.

BAR HILL RESIDENTS ARE REMINDED TO "CHOOSE WELL THIS WINTER"

It is good to be prepared for coughs, colds and flu. Make sure you have home remedies to help care for your family. If you need regular medication, make sure you have enough. Cambridgeshire and Peterborough Clinical Commissioning Group (CCG) is asking residents to familiarise themselves with the range of local health services available, and which illnesses and injuries they treat:

- **Pharmacies** can help with bugs and viruses, skin conditions, allergies, pregnancy testing and stopping smoking.
- **GPs** can help with backache, earache, painful coughs, mental health conditions and any illness or injury that won't go away. Your GP has an out-of-hours service. Ring your GP's number and you will either be put through or hear a message telling you who to call.
- **Walk-in centre or minor illness or injury units** can help with minor burns and scalds, bites and stings, strains and sprains and minor eye or ear problems.
- **YOU** can look after colds, coughs, sore throats, hangovers, tummy upsets and grazes with a well-stocked medicine cabinet.
